10 How can we explore underwater?	 11	 12 How do we work together like a school of fish?	13 Researching occupations on the ocean	 14 Designing our own seascape mural

## Educational Curriculum Calendar Guide

The first day of each month the KWL(K-Know, W-Want to know, L-Learned) Chart is created. This assesses the students' knowledge on the monthly idea and is updated throughout the month.

Two exploration days are planned each month to explore the students' interests based on discussion of the KWL Chart.

The second Wednesday of this month is dedicated to anti-bullying activities, using the Teaching Tolerance curriculum.

The last Friday of this month will incorporate a STEAM (Science, Technology, Engineering, Art & Math) activity.

Have a great summer!

See you at Kids Klub in the fall!
