Common Core Standards
<p>Kids Klub programs support teachers and schools in their work with the Common Core State Standards and the curriculum is intended to incorporate the standards in an intentional and explicit manner.</p> <p>The primary goal of the Common Core State Standards is to ensure that students have the skills and knowledge they will need for their future success in college and career. The Common Core focuses on developing and deepening students' knowledge and skills— also referred to as "habits of mind"—that will provide the necessary foundation for students to succeed academically, in work and in life.</p>
<p>Kids Klub teaches these Common Core Habits of Mind:</p> <p>English Language Arts Standards: Demonstrate independence Build strong content knowledge Respond to the varying demands of audience, task, purpose and discipline Comprehend and critique Value evidence Use technology and digital media strategically and capably Come to understand other perspectives and cultures</p> <p>Mathematics Standards: Make sense of problems, persevere in solving them Reason abstractly and quantitatively Construct viable arguments and critique the reasoning of others Model with mathematics Use appropriate tools strategically Attend to precision Look for and make sure of structure Look for and express regularity in repeated reasoning</p>
