

## Educational Curriculum Calendar

# June-July 2025

## Big Idea: Let's Go on an Adventure!

### Essential Questions

- 1) In what ways are we unique?
- 2) Which animals do we share the planet with?
- 3) How can you use your 5 senses in the rainforest?

### Vocabulary

Tribe, metamorphosis, constellation, navigation

### Spanish Vocabulary

Tribu, metamorfosis, constelación, navegación

### Educational Curriculum Calendar Guide

At the beginning of summer the KWL (**K**-Know, **W**-Want to know, **L**-Learned) Chart is created. This assesses the students' knowledge on the Big Idea and is updated at the start of each week throughout the summer.

Throughout the month STEAM (Science, Technology, Engineering, Art & Math) activities are incorporated in many activities each week!

Monday	Tuesday	Wednesday	Thursday	Friday
23 Dissecting our names with acrostic poems	24 Discover our artistic talents with murals	25 Expressing our personality with journal making	26 Where does your imagination portal take you?	27 Working together as a team to overcome obstacles
Weekly Theme: Discovering our individuality and imagination with <i>Ramona &amp; Beezus</i> .				
30 How can we keep the oceans clean?	1 Painting under the sea	2 Creating our own island tribe	3 Why do we celebrate Independence Day?	4 <b>Closed for Independence Day</b>
Weekly Theme: Beachcombing with <i>Moana</i> as we also celebrate the 4th of July!				
7 Researching the layers of the rainforest	8 Building bird houses and feeders	9 What different types of animals can you find in the rainforest?	10 Designing our unique feathers	11 What natural sounds can you hear in the jungle?
Weekly Theme: Flying through the rainforest with the tropical birds of <i>Rio 2</i> .				
14 Watching the phases of the moon	15 How can you travel to outer space?	16 Learning about the effects of gravity in space	17 Telescoping for constellations	18 Constructing our own planets
Weekly Theme: Blasting into outer space on <i>The Magic School Bus</i> with Miss. Frizzle.				
21 Becoming a pirate, yo-ho!	22 Navigating the helm	23 Bumping into sea monsters of the deep	24 How can you tell time and direction at sea?	25 Searching for buried treasure
Weekly Theme: Sailing in search of buried treasure, as the adventure awaits at <i>Muppet Treasure Island</i> .				
28 Comparing and contrasting different types of insects	29 Metamorphing from caterpillar to butterfly	30 What will you carry up the hill to Ant Island?	31 Crafting a nature collage
